Well I did. **HIGHLANDER** But finally we did. I hope the next 3 years in this old school are just as good to us as ~~this~~ this one has been. Don't get into too much trouble over the summer cuz I know how easy it is to get into trouble in the summertime. Take care of yourself. **Re-9 Schools** **Ault, Colorado**

SCHOOL BOARD

Mr. E. Foster, Treasurer; Mr. H. Sidwell, Secretary; Mr. D. E. Stuehm, President; Mr. L. Cogswell, Vice-Pres.; Mr. Fred Morita, Director

While it is an honor to be a school board member, few people realize how much time is spent in a large number of meetings held each year. Some years present more problems than others. In behalf of the yearbook staff administrators, teachers, and students, we do thank you. As the years progress, there are those who sew the SEEDS and others who REAP. May you see the progress for which you have so earnestly planned and hoped to become a reality.

J D. McKinzie tries the kick as Bruce White holds. White picked off an interception at the 25-yard line and ran in for the third quarter score to give the lead to Highland. Highland defeated Weld Central 18-6 for a homecoming victory. In addition to the important interception, Mark Potter made a fine 73-yard run for another Husky touchdown.

Spirit Week

January 25-29

--Sponsored by the Student Council

Each day during spirit week a different activity took place.

MONDAY was TOP 'EM DAY. On this day, hats were worn to signify that the Huskies would top their opponents.

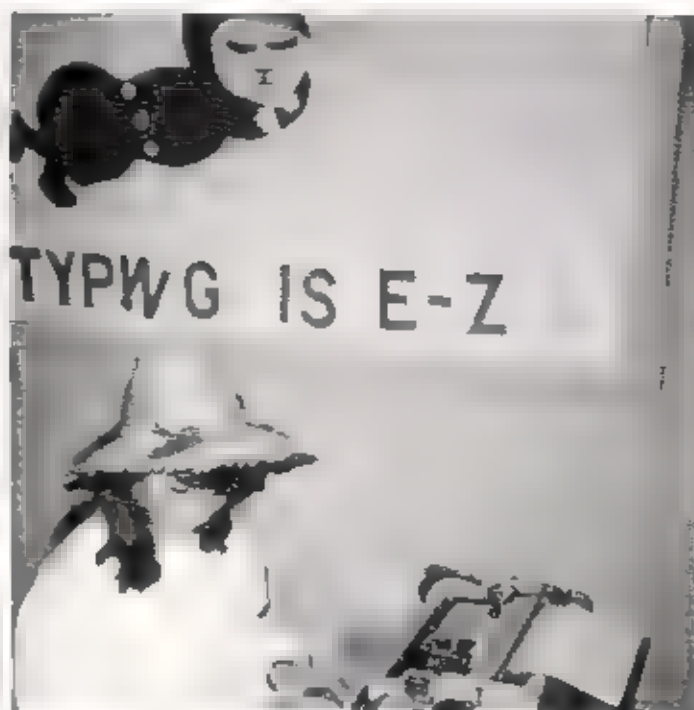

TUESDAY was CLASH DAY. This was to show that there would be four clashes during the week-end. On this day students and teachers wore clothes that clashed--And How!

WEDNESDAY was STOMP 'EM DAY. This was to show that Highland would walk all over their opponents and various boots were worn.

THURSDAY was LOCKER DAY. Lockers were decorated to show the teams that we were BACKING THEM ALL THE WAY.

FRIDAY was GREEN-AND-WHITE DAY. By wearing the school colors, the whole school was being united to cheer at the games and matches that week-end.

The classes also showed their spirit by making posters and placing them in the halls, the gym and in the rooms. Bulletin boards also showed a lot of originality to boost the spirit of everyone during the week.

District Re-9 Special Education Classes

Many children are aided through the help of special education teachers and teacher aides who are qualified in helping children in specific areas of study.

The pre-school program is organized with a teachers aide, and volunteer mothers. They help these children become better prepared to enter kindergarten.

In this way the children become more confident and are able to return to their regular classrooms.

1. The first part of the paper discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the success of any business or organization. The author provides a detailed overview of the various methods used to collect and analyze data, highlighting the strengths and weaknesses of each approach. The paper then moves on to discuss the challenges faced by researchers in this field, such as the lack of standardized data collection procedures and the difficulty of obtaining reliable information from certain sources. Finally, the author concludes by offering several recommendations for improving the quality of research in this area, including the use of more rigorous data collection methods and the development of standardized protocols for data analysis.

Dana,
 to a & very good friend that's a lot of fun
 to be around. you're a great kid and being
 your friend and you being mine means an
 awful lot to me. Let's keep it that way. I'm sorry
 I'm making such a mess. Be good and

Dana,
It's a real swell gal that I
have known. We have had a
lot of fun times together. I
never forget the times that
you came over with, Rick.
Well, those were sure fun
times. And the last time you
"threw some out. Remember
"shimmy dip"? I had some
funny and when I'd and I
got you with the dice. I
always remember these
times and I hope we have
many more. Good luck
in the future. Love

Always,

Dana,
You're a real swell gal!
I'm really glad I got to know
you. We've had loads of fun
when we're in the "together".
Don't ever change from the
way you are. Just stay the
same. Give each moment to
it's fullest and never have
a dull moment! Always have
fun in life. You've got a long
life to live and you won't
well live it as if you were
never the "unlabeled". Don't
you know everyone lives twice?
Loads of people that believe
in that. "They" take some of
the people we know. It's true
had fun! Take care of that back
now! Be Careful! May God
be with you and Bless you.
Always! Have fun and
happiness and have the with
you always. Be happy & have fun!
Always,
Love
